

Maths

This term's Maths topics include:

- Properties of shape
- Fractions, decimals and percentages
- Multiplication and division

English

Our learning this term is linked to the Key Stage 2 topic, Romans

We will be working on fiction and non-fiction writing, covering description, myths and legends, arguments and instruction texts.

French

Our topic this term is 'Meet My French Family'. The children will work towards sharing a presentation to describe family members and their preferences.

P.E.

Mrs Porch will be continue to take P.E. on Wednesday afternoons.

Please come to school dressed in P.E. kit on Wednesdays.

Cedar Class Newsletter Summer 2020

R.E.

This term, we will be learning about Salvation in Christianity. We will consider the question, 'What do Christians mean when they talk about the Kingdom of God?'

Our whole school theme is Justice, which we will be reflecting on during Collective Worship.

Topic

Our topic in Key Stage Two this term is Romans. We will be learning about the impact of the Roman Empire on Britain, including key events such as the Roman invasion, British resistance, and the 'Romanisation' of Britain. Our learning in **Art** and **Music** will also be linked to this theme.

Home Learning

Please make sure you are listening to your child read and ensuring regular spellings and times table practise at home (all children have logins for Spelling Shed and Times Table Rockstars).

There are rewards in place through a raffle ticket system in class for children who read more than four times a week at home.

Science

We are learning about Forces in Science this term. We will be investigating:

- Gravity
- Air resistance, water resistance and friction
- The impact of mechanisms on forces

PSHE

This term, we will investigate the question: 'How can friends communicate safely?', which will touch on friendships, relationships, becoming independent and online safety.
