

British Science Week 2021

CREATE-AN-INSECT

The Challenge:

- To 'Create' an Insect using 4 sheets of plain or coloured A4 paper only (from your recycling bin/crate)
- Children can only use scissors and their engineering skills to create their insects - research different types of insects, their colours, camouflage, wings, legs etc
- No glue, sticky tape, staples or paper clips to be used
- Take no longer than one hour, including practising techniques

COMPETITION TIME

We will be running a competition in school, where a winner will be chosen from EYFS / KS1 and KS2. These two winners will then be entered into the STEMPOINT East competition to represent our school.

If you would like to enter the competition please get your grownups to email Mrs Oldfield photos (max. 3 photos) of your insect using:

carla.oldfield@rattlesdenprimaryschool.co.uk

Your entry must stick to the engineering / building requirements above.

The closing date for emails to Mrs Oldfield is Monday 15th March 2021 and we announce our 2 school winners on Friday 19th March 2021.

Feel free to use the helpful hints and tips sheets too.

Hope you have fun creating.
