

Forest School

Dear Maple Class Parents,

Forest School really will start again Tuesday 27th April. Apologies for our communication issues over the last couple of weeks!

As before, your child will need some old clothes to change into - long trousers, a long-sleeved t-shirt or jumper and wellies or old trainers, all in a named bag. At last we have our new rack so wellies can be stored at school between sessions.

Forest School will take place whatever the weather so please keep an eye on the forecast and send in a waterproof if it is likely to be wet.

We would warmly welcome adult helpers to help us out in our Forest School sessions, if you enjoy being outside we guarantee you will have a wonderful afternoon. If you are interested please email me - nicole.mcintosh@rattlesdenprimaryschool.co.uk
