

## CREATE-AN-INSECT Competition

**Below are some great links to websites for researching insects to do with the children.**

<https://www.natgeokids.com/uk/discover/animals/insects/15-facts-about-bugs/>

- Could help intrigue children about insects. (Features Chris Packham)

<https://www.worcswildlifetrust.co.uk/wildlife-investigators/insect-investigators>

- Activities to do about insects and also:

<https://www.wildlifetrusts.org/wildlife-explorer/invertebrates/bugs> - Pictures. A number of water ones and shield bugs.

<https://www.wildlifetrusts.org/take-action-insects> - free booklet to send for.

**Be careful**, there are a lot of websites/YouTube videos that say INSECT for the title, but don't just stick to insects, they also have worms/millipedes and all sorts on them!
