26th March 2021

Dear Parents,

Just a short letter to draw the term to a close. Thank you to those who made the whole school online assembly this morning. Probably one of the most stressful moments of my career to date! Reliable technology has never been a strong point of the school, but hopefully the mayhem made you smile! Perhaps a never to be repeated event...we will see!

We are in the Bury Free Press this week for being the lead school in the formation of a Primary Science Teaching Trust Cluster. We look forward to working with the other schools to raise the profile of science and ensure excellent teaching and learning in our schools. It is a really good article that I'm very proud of so I hope you have a chance to see a copy.

I would like to thank you on behalf of the staff for all of your support this term. It has certainly been one to remember, but working alongside such great parents and amazing teachers has made it so much easier and incredibly worthwhile.

Have a lovely Easter. I hear the sun is meant to shine, so make the most of the break and we will see you all soon for the Summer term.

Kind regards,

Helen Ballam
