

# Top Tips for Learning Your Times Tables

## Interlocking Cubes

Use different coloured cubes to make patterns and 'sticks' of numbers, e.g. to make the 4 times table, make sticks of 4, 8, 12, 16 up to  $4 \times 12$ .

## Fortune Tellers

Make multiplication table fortune tellers and practise with your friends.

## Number Squares

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

Colour in the pattern of a particular multiplication table on a number square.

## Speed Grids

Try completing some speed grids. You should get faster and more accurate every time.

## Sing

Sing your times tables! Can you sing your times tables to the tune of your favourite song?

## Doubling and Halving

$$2 \times 4 = 8$$

$$4 \times 4 = 16$$

Use doubling and halving to help you. If you know  $2 \times 4$  is 8, then you know  $4 \times 4$  is 16 by doubling!

## Matching Pairs

Create a set of multiplication table question and answer matching pairs cards. Play with your friends and family!

## Online Games

Play times tables games online.

## Practise Everywhere

Practise your multiplication facts at every opportunity, whilst walking to school, in the car or in the bath!
